
CORONAVIRUS

Dear Patients,

If you have travelled from an affected area or contacted someone else who have had or since then developed symptoms such as fever, shortness of breath, cough, call your general practitioner or the **Hungarian Institute of Public Health's (NNK)** toll-free information line, where the general public's questions about the coronavirus are answered as fast and accurate as possible.

06-80-277-455

06-80-277-456

DO NOT go to the doctor's office and DO NOT use the public transport. Stay at home!

Further, frequently updated and official information about the coronavirus can be found at:

koronavirus@bm.gov.hu
